

SYMBOL RESERVATION

The Long-Term Stock Exchange, Inc. ("LTSE") participates in the National Market System Symbology Plan for the selection and use of 1-5 character root symbols, as governed by the Intermarket Symbols Reservation Authority ("ISRA").

All market participants benefit from a uniform symbology plan and, as a member of ISRA, LTSE will work with the Securities and Exchange Commission and industry participants to develop and maintain a plan that promotes fair competition, reduces programming and operational complexity, and upholds the interests of listed issuers and market participants.

The latest information about ISRA and a copy of the NMS Symbology Plan is available on The Options Clearing Corporation's (The OCC) website (<http://www.theocc.com/clearing/industry-services/isra.jsp>). The OCC acts as the ISRA processor for the National Market System Plan.

A trading symbol is provided to the company for the limited purpose of identifying the company's security in authorized quotation and trading systems. LTSE reserves the right, in its sole and final discretion, to assign, rescind, or reassign any trading symbol at any time.

For additional questions on reserving or changing a symbol for trading on the Long-Term Stock Exchange, Inc., please contact: [TBD].
